

# Save for College Program Virtual Workshop: Activate and View Your Child's NYC Scholarship Account

All kindergarten, first grade and second grade families in the NYC Kids RISE Save for College Program can now activate and view their children's free NYC Scholarship Accounts with an initial \$100 for college and career training.

In this workshop, our team will work with you to activate and view your child's NYC Scholarship Account so you can receive your first \$25 reward!

Make sure to get your child's nine-digit Student ID Number (OSIS number) before the workshop so that you can activate your child's account. To find this number, look at your child's report card, ask your school, or log onto your NYC Schools Account at [schoolsaccount.nyc](https://schoolsaccount.nyc).
